Ars Nova operates on the unceded land of the Lenape peoples on the island of Manhahtaan (Mannahatta) in Lenapehoking, the Lenape Homeland.

We acknowledge the brutal history of this stolen land and the displacement and dispossession of its Indigenous people. We also acknowledge that after there were stolen lands, there were stolen people. We honor the generations of displaced and enslaved people that built, and continue to build, the country that we occupy today.

We gathered together in virtual space to watch this performance. We encourage you to consider the legacies of colonization embedded within the technology and structures we use and to acknowledge its disproportionate impact on communities of color and Indigenous peoples worldwide.

We invite you to join us in acknowledging all of this as well as our shared responsibility: to consider our way forward in reconciliation, decolonization, anti-racism and allyship. We commit ourselves to the daily practice of pursuing this work.

ABOUT THE ARTISTS

XIMONE ROSE (Contributing Artist) (she/her) is a performer/singer-songwriter from New Orleans. She is grateful to this pause in her regularly scheduled programming so she could finally focus on her music... and also religiously play candy crush. Stream her music on all platforms. Instagram: @simonewithanx

They received their BFA in Dance from Long Island University, where they began their choreographic career, choreographing for the American College Dance Association. Anya has worked with choreographers such as Matthew Rushing, Sidra Bell, Earl Mosley, Clifton Brown and Holly Blakey, among others. Anya won 1st prize for Choreographic Excellence in the 11th International *REVERBDance Festival*. Described as movement that “moves between lucid and fluid to downright jarring in the most effective way,” Anya’s work has spread nationally at venues such as Brooklyn Museum, Andy Warhol Museum and Gelsey Kirkland Theater, among others. Alongside partner Mitsuko Clarke-Verdery, they were selected as the 2019 Guest Lecturers and Resident Artists at Carnegie Mellon University's School of Art & Drama and 2018 PearlDiving Movement Resident Artists. Anya currently serves on the Junior Board and as guest faculty for Earl Mosley’s Diversity of Dance. With MICHİYAYA, Anya creates highly physical and visceral choreography that molds with each dance artists’ voice.

THE DRAGON SISTERS (Contributing Artist) (Issa & Odessa) are a multidisciplinary nightlife duo based in Brooklyn. They are equal parts hip hop, pop and classical. Conceived in the dance theater world, the sisters have stormed stages across the country at events and venues including Bushwig, The Box, The Paradise Club, *The Diamond Horse Show*, the Park Avenue Armory, Lady Fag’s *Holy Mountain* and various Voss Events productions. Their creative collaborations have included projects with Darrel Throne, Spencer Ludwig and Ariana & the Rose. ALEXANDER PARIS (Contributing Artist) (they/them) is a multidisciplinary writer, performer, visual artist and curator based in Brooklyn. The work they create exists typically at the intersection of autofiction and surrealism, with a strong concentration

on aesthetics. They are drawn towards world building, deconstructed narratives, high camp, futurism, meta theatrics and nostalgia. They are currently in The Lark's Beyond the Binary Writers Group. In 2019 they had artistic fellowships with the Performance Project at University Settlement and Clubbed Thumb. Most recently, in December 2020, they curated La MaMa's *Squirts: Generations of Queer Performance* online, where they put a queer intergenerational group of 20 artists to the task of presenting video performances that were personal reflections in response to the pandemic. For more: @parishiltonals on Instagram. For scripts or booking inquiries: alexander.j.paris@gmail.com

They're dedicated to empowering black, POC, femme, trans, queer artists and uplifting authentic voices through music. @southernbellestudios

SOMAD (Video & Editing) is an independent art platform, studio and gallery built on the premise of fostering community through art. The namesake comes from the location, just South of Madison Square Park, but also from our frustration with the lack of support for emerging artists. Our ethos is based on a collaborative process enabling artists, curators and clients access to necessary resources to actualize their vision from production to presentation. We open our doors to artists, commercial rentals, curators and productions on a project-by-project basis. Our facilities offer a fully equipped photography and video production studio, printing resources for artists and a space to host gallery shows, film screenings, group critiques, live performances and events.

SARA ARNO (SoMad Team) (she/her) is a photographer, filmmaker, producer and the founder of SoMad, a female and queer-led independent art platform, studio and gallery in the heart of downtown New York. She studied Environmental Studies at Middlebury College and Photography, Video and Related Media at the School of Visual Arts. Sara has recently joined the board of Upstate Films, and has served on the board of the Amy P. Goldman Foundation and Lillian Goldman Charitable Trust since 2010. Sara is passionate about cultivating a supportive community in the arts that will foster wider care for our human and ecological communities at a larger scale.

CARLA MALDONADO (SoMad Team) (she/her) is a multimedia artist working with photography, video, site-specific installation and the multimedia experience of their intersection. Her work responds to socio-political issues and the environmental crisis, engaging with Ecofeminism as a political movement. At SoMad, she has developed strategic programming in collaboration with curators and artists coordinating in-house exhibitions, film festivals and national art fairs. She has recently exhibited at the Thomas Erben Gallery in NYC (2020); Satellite Art Show in Miami and Brooklyn; Film Fest at the Farm, Rhinebeck, NY; School of Visual Arts, NYC, SoMad, NYC (all 2019); Barcelona Planet Film Festival, Spain (2018); Photo Independent and Fathom Gallery in LA, CA (2018); The Knockdown Center, Brooklyn (2017) and Nowolipki Gallery in Warsaw, PL (2017). She is currently a Fellow Artist of the Bronx Museum. Her personal practice has led her to working with political and arts organizations, promoting art as a means to advance social change.

SERICHAJ TRAIPOOM (SoMad Team) (he/him) is a portrait and documentary photographer working in fashion, art, music and cultural stories. A core value of his work, especially in fashion, has been a pioneering for visibility of marginalized individuals within a corporate system. Through SoMad, he produces commercial shoots and events and helped build a studio made to meet artist's needs, including professional printing and production resources. His words and photographs have illustrated stories for *W Magazine*, *Dazed and Confused*, *Dis*, *Wonderland*, *Paper*, *Out Magazine* and *THEM*, while also working with clients including Performa Arts, The Standard Hotel, Marriott Hotels, Michael Kors, Adidas, G Star Raw, IMG and the CFDA.

ABOUT THE VISION RESIDENCY

Designed to foreground Ars Nova's values through the creation of more equitable and power-sharing curatorial practices, the Vision Residency expands Ars Nova's artistic vision by inviting seven artist-curators to populate our digital platform with their own work as well as work by artists they champion and admire.

Each Resident is given broad support from Ars Nova's full staff, and spends two months planning for one month of activity on Ars Nova Supra. Each Vision Resident is paid for their curation and administrative work, as well as allocated a program budget towards the creation, development and presentation of work during their curated month. Vision Residents are encouraged to invite other artists they feel inspired by, want to collaborate with or simply wish to amplify to make and share work using the budget and resources of the residency during their month of programming.

The 2020/21 Vision Residents are: Starr Busby, nicHi douglas, JJJJerome Ellis, raja feather kelly, Jenny Koons, David Mendizábal & Rona Siddiqui.

Ars Nova's Vision Residency program is supported by The Miranda Family Fund.

ADDY GETS A CHILDHOOD

APRIL 22 @ 7PM ET | FREE

Estimated Run Time: 35 minutes

Poem & Video by **KIM MAYO**

Video Assistance from **MICHAEL SACHS**

Music by **KIM MAYO & MICHAEL SACHS**

Curated by Vision Resident **STARR BUSBY**

addy gets a childhood is a poem, video, pleasure & reclamation project created by poet/musician/composer/artist kim mayo, aka moonheart. 'addy' reimagines the life of the (until recently) only black American Girl Doll, Addy Walker, whose white creators saw a black doll & called her an enslaved child, a child who had to escape that, a child who was not afforded what should have been her birthright, had she not been born into this anti-black, imperialist, white supremacist, hetero-patriarchal, capitalist world—a childhood. This project seeks to give to Addy all of the joy, the pleasure, the play, the freedom, the candies, the safety, the rambling afternoons, the delights of childhood that she was not afforded. It is a blessing sent back to mayo's baby ancestors, & one sent toward the future, where mayo envisions a world in which each black child is allowed to be one.

This evening includes the premiere of addy gets a childhood followed by a conversation with kim mayo and Vision Resident Starr Busby.

9 CUPS IN THE MOON

MAY 1 @ 7PM ET | \$10

Estimated Run Time: 45 minutes

Created & Performed by Vision Resident **STARR BUSBY**

Creative Direction by **LILLETH GLIMCHER**

Video Direction by **MUSE DODD**

"As I am impelled to evolve beyond my fears and insecurities; walking the path of self-knowledge through the unknown inner realms of myself. I manifest what I want by visualizing it clearly and precisely" - paraphrased from Tarot for Your Self by Mary K. Greer

9 Cups in the Moon is an exploration into the murk of being. Desire, disappointment, agency, inertia, faith and fulfillment all play a role.
